The Parcel Program commenced in the Sunshine Coast area by members of the RSL Sunshine Coast & Regional District Inc. (SCRD) in July 2010 to support our troops overseas.

SCRD have taken the initiative to contribute, in a small way, to show our men and women in uniform that the Sunshine Coast Community appreciates their efforts.

The parcels are funded by the Sub Branches and Ex-Service Organisation’s within the Sunshine Coast District and sponsored by some local businesses.

Donations of listed items or cash from the public will be greatly appreciated and will help us to continue sending these small comforts to the boys and girls overseas.

Cost of parcel contents average \$20 a box.

A small price to pay to show support for our serving troops.
